Warehousing & Installation Coordination  
Comprehensive Reporting  
Vendor Payment Processing

# ROCK SOLID RELIABLE

**PARKER IS THE INDUSTRY LEADER IN  
GLOBAL HOSPITALITY PROCUREMENT.**

***THE HIGHEST LEVEL OF SERVICE***

**BIG TIME BUYING POWER**

**WE'RE HANDS ON, 24/7.**

A close-up photograph of railway tracks. The image shows several parallel steel rails mounted on wooden sleepers. The tracks are surrounded by a bed of light-colored gravel. Metal fasteners, including bolts and nuts, are visible securing the rails to the sleepers. The perspective is from a low angle, looking down the length of the tracks.

# SYSTEMS

**INDUSTRY LEADING TECHNOLOGY  
PROVEN PROJECT METHODOLOGY**

# **WE PREVENT DISASTERS...**

After all, we've seen just about everything  
that can go wrong with a project.

# SAVINGS

**WE SAVE 3, 4, 5 TIMES OUR FEE,  
*AND A LOT OF AGGRAVATION.***

# PARKER

Pioneers. Celebrating decades of FF&E and OS&E procurement, The Parker Company (TPC) offers an unparalleled level of service and industry expertise. Utilizing a proven methodology that combines global sourcing, buying power, experienced staff, and state-of-the-art systems, TPC provides peace-of-mind project purchasing and significant cost savings to its customers.

# TECHNOLOGY

Our proprietary Internet based technology gives clients, suppliers, shippers and installers an interactive purchasing system that coordinates all project activities from budgeting through purchasing, expediting and installation. Each and every client benefits from our meticulous attention to budget, service and detail.
